She spoke of attending a Y. W. C. A. conference in which representatives from 45 women's industrial clubs were present to talk of questions relating to women's interests.

Mrs. Cushman impressed the women of the local association with the many important questions pertaining to women throughout the world which will come up at the national Y. W. C. A. conference in Cleveland in April, and urged that El Paso Y. W. C. A. be well represented in these deliberations.

Mrs. Cushman has a winning personality and is a speaker of extraordinary ability. She left at 2 o'clock on Wednesday for her home in New York City, returning there by way of New Orleans.

Miss Harriet White, specialist in physical training work of the Y. W. C. A., arrived Thursday for a visit of a few days in this city. She will remain for the weekend and will on Friday afternoon at 2 o'clock meet the Y. W. C. A. physical committee, of which Mrs. Henry T. Bowie is chairman, in the central Y. W. C. A. building for a conference.

The meeting of the art department of the woman's club held at the clubhouse on Wednesday afternoon was of unusual interest.

Mrs. J. E. Quigley, chairman of the art department, showed on the screen reproductions of famous pictures, and Mrs. Hal Adair gave a lecture by Kenyon Cox in explanation. The paintings dealt with the subject of

7th Cavalry Officers and Wives Give Dance Complimenting Col. Tompkins

IN FAREWELL to their former commanding officer, Col. E. H. Tompkins, the officers and wives of the 7th Cavalry, gave a dance in the Seventh Cavalry Officers' club on Wednesday evening. The room was decorated for the occasion in the cavalry gold, featuring yellow flowers. Sabers were hung about the walls and trophies of the prowess of the regiment were other interesting features of decorations. Among them the four colors brought from the recent polo meet in California.

Elaborate refreshments were served during the evening and the Seventh Cavalry band played for the dancing hours.

All of the officers and their families were present to do honor to Col. Tompkins. His officers and their families were also present at 2 o'clock Thursday at the Union station to say goodbye to Col. Tompkins when he departed for his new station.

Feminine Hergear Includes Horsehair

CINCINNATI, Ohio, Feb. 26.—Time works changes. The headgear of femininity in America this spring will include horsehair.

Time was when hairnets used horsehair in a garment for self-inflicted poisons.

It's the lace which has gotten into spring millinery. Was the explanation offered when the discovery was made at a local exhibition of spring hats that some of the new hats have an irregular, or jagged, outline.

Some of the new millinery is fashioned from celluloid which has been made into a shapely, shiny substance called cellophane.

One model consisted of cellophane combined with black maline. Speaking from a millinery point of view, the coming season will be a shiny one.

Great quantities of jet will be used, as well as braids with a metallic surface and a glossy variety of trimming known as glycerine ostrich.
